INVESTBANK

About INVESTBANK

On November 28th, 1982, Jordan Investment and Finance Bank (INVESTBANK) started its activities as a financial company under the name Jordan Investment and Finance Company with an authorized capital of JD6 million in which half was paid on the opening of its Initial Public Offering (IPO) while the rest was paid within a year of granting the final license.

A group of founders headed by the late Nizar Abdul Rahim Jardaneh set the first foundation stone for this financial institution which contributes to the development of the Jordanian financial industry. The aim was to provide the required financing to the economic sectors in order to enrich their achievements and increase opportunities of economic and social development in Jordan.

Founders aimed at being compatible with the economic growth requirements as well as achieving a good return for the shareholders, supporting national savings, and using resources to sustain financial activities.

AL IMDAD

Financing your trade

AL IMDAD was established to meet the growing need for a financial company specializing in trade financing and supply chain logistics. Our supply chain financing services ease and facilitate trade, providing a means for SMEs and large corporations to grow and expand at unprecedented rates. Our unique business model allows for traders and manufacturers, importers and exporters, to benefit from our trade financing and supply chain logistics services.

Our financing services are available to reputable traders and manufacturers with a clear business plan. Trusting in the seller's ability to sell, we finance your purchases using only the goods as collateral. Such services are designed to facilitate business by easing the process through which goods and materials are purchased and obtained. Our clients are then free to focus on sales and production.
